

ABOUT ME

I'm Mutturaj, a dedicated student at Ballari Institute of Technology and Management, where I'm honing my skills in CSE. With a fervent passion for coding ignited a few years back, I am now eager to leverage my coding expertise and multifaceted skill set in a dynamic internship role.

SKILLS

Programming Languages C, Python, Java
Tools & Platforms Git, GitHub, VS Code, Linux, Power BI, MS Word & Excel Database Management Systems
Languages Kannada, English, Telugu, Hindi
Others skills Problem solving, Algorithms, Data Structures

HOBBIES

Film & Web series Enthusiast, Chess Enthusiast, Coins collecting, Gardening.

PROJECTS

DBMS Project / GitHub Repository

2024

- Developed a database management system project focused on designing and implementing an efficient and scalable database.
- Skills and Technologies Used: **SQL, Database Design, Data Modeling**
- Achievements: Improved query efficiency by **20%**, Designed a robust schema for managing **large datasets**.

Stroke Prediction Project / GitHub Repository

2023

- Description: A machine learning project aimed at predicting the likelihood of stroke based on various health parameters.
- Technologies Used: **Python, Machine Learning, Data Analysis**.
- Achievements: Achieved **85%** accuracy in stroke prediction using ensemble methods, Developed a **user-friendly interface** for clinicians to input patient data.

EDUCATION

Ballari Institute of Technology & Management, Ballari

Bachelor of Engineering in Computer Science and Engineering – 6.5 CGPA

December 2021 – June 2024

Ballari, Karnataka

SMJ Science Pu College (PCMB), Sindhanur

Pre-university education – 86.25%

June 2019 – March 2021

Sindhanur, Karnataka

Morarji Desai Residential School-BC Rajalabanda, Manvi

SSLC – 81.28%

June 2014 – April 2019

Manvi, Karnataka

CERTIFICATIONS

Internship on C Programming

Carried out on 10/2022 to 11/2022 By Destination Technologies.

Core Python Programming

Internship carried out on 10/2023 to 11/2023 By EZ Trainings and Technologies Pvt. Ltd. Company, HYDERABAD

Google Cyber security

Online Cyber security certification program offered by Google from coursera
